Did you see what this person wrote about me and my family?!??

house, plant drugs and drop dimes and on their children go to foster care where they will be drugged on psych drugs and sexually abused. That's if they don't smoke pot recreationally? If they do and her husband looks like he does, the private dix will drop dimes with child services and prove it in court legally along with pictures of him doing the drugs and if she does too, then her too, photos and videos of both of these people doing drugs and a history of doing drugs long term, not one video or one photo.

That's not illegal, you're suppose to report parents who are doing drugs to child services, they are putting their children at risk and there

Oh and @ChrissieBixler this just got sent straight to law enforcement. She laid out a plan PUBLICLY on how they would plant drugs whilst breaking into your house. Didn't Danny's bitch ass always talk about setting you up for drugs. 🤔 they want to play, let's play!

Yep, that was in the rapist's threatening letter to me. One of the things he'd tell people if I didn't shut my mouth. Said he'd tell everyone I'm a drug addict, that I tried to commit suicide 10 times, that I accused 7 famous men of raping me...if I didn't shut up about the rape.

Jackie Oh!
